

Abundant Life Reading Plan

Choose from any of the three Reading Plans

1. The **New Testament Plan** is perfect for beginners or extra busy people. Not only will you complete the entire New Testament (NT) in a year, but because the NT only contains 260 chapters, you will have the opportunity to read a few important books twice.
2. The **Abundant Life Plan** will take you through the whole Bible in a year. It includes the same New Testament chapters as the NT plan, and adds the reading of the Old Testament.
3. The **Gospel Plan** will take you through the gospels four times throughout the year. This plan is designed as a year long journey to understand the life of Jesus as He was on earth.
